APRIL 2023

STOP, PAUSE, REFLECT, RESPOND

I recently have been on the receiving end and/ or witnessed some terse and inappropriate email and verbal communication. It seems to me that in an age when we're used to an instant response to a request or comment we, myself included, can fire off an inappropriate response as we are multitasking and distracted on so many different levels. I think we may have forgotten how to be respectful and considerate of others and other's feelings.

I suggest that we stop after receiving a message -email or verbal and pause before responding...hence the need to reflect. Then respond in a proper and respectful manner.

COVID aside, it seems to me that we have forgotten our civil manners. We are quick to lash out or make less than appreciate comments about the conversation at hand or about the individual.

As Lions members we are all volunteers. We are all involved in multi activities and efforts. We lead busy lives. All that said, we need to remember that each of us is an individual who has feelings and is person of value. I encourage each of us, and self talking to myself as well, to stop, pause, reflect and respond. We will all be better for these actions on so many positive levels.

Yours in service and Lionsism, King Lion Christopher Werth

50-BAG LUNCHES FOR THE ARUNDEL HOUSE OF HOPE

on 3-2-23 myself, Lion Rollins Clark and his wife Pat, Lion Paula Wilks, and Lion Jackie Hetrick met to make 50 sandwiches and pack 50 bag lunches for the Arundel House of Hope. I then delivered these lunches to the Glen Burnie Office of the Arundel House of Hope. They would be distributed to the homeless population visiting these offices by closing time that day. Also delivered to the House of Hope were toiletries, boots, bedding, and clothing donated by Lion Jackie.

Besides the ham and cheese and turkey and cheese sandwiches, the lunch consisted of a water bottle, crackers, cookies, fruit cups, raisins, fruit snacks, puddings, and candy.

A big thank you goes out to the Severn River Lions and helper who came to make the sandwiches and pack, the Lions who donated food and supplies, and the Lions who made monetary contributions to purchase needed items.

HEAR YE! HEAR YE! "CLUB'S CHARTER NIGHT" will be April 4th at Brian Boru's.

We have the back area reserved from 6:45 to 9 pm.

DIABETES MINUTE

TIPS FOR MAKING YOUR ACTION PLAN

Think about your goal: the new version of you!
This is your reason to create new routines that lower your risk of type 2 diabetes.

REMEMBER:

Your action plan helps you to try out new routines that can turn into habits over time. When new routines become habits, they are much easier to stick with. Follow these steps:

Step 1.

Figure out what needs to change. What routine do you want to add, stop, or change?

Step 2.

Plan a new routine. What new routine do you want to try? Remember to be specific and realistic.

Step 3.

Choose a cue or hint. What will help you remember your new routine? Here are some ideas:

- A specific time or place
- A feeling or emotion
- Other people in your life
- An action right before or right after a regular routine

Be flexible. Review your action plan often. If your action plan isn't working for you, revise it.

Or if you need help getting started, approach the 3 steps like a SMART goal—Specific, Measurable, Achievable, Relevant, and Time-bound.

Make it enjoyable! Change doesn't have to be painful. Find activities and healthy foods that you enjoy.

About Mason Strong Village

Mason Mazzuca was a warrior and superhero who fought his T cell Acute Lymphoblastic Leukemia all the way through March 9, 2018 when he was finally free of his pain. He inspired all who surrounded him to turn to the positive, live every moment to the fullest and to always "choose JOY." Mason lived more in his six years than many do in a lifetime.

We have been deeply moved by the village of support we received throughout Mason's treatment and to all the other warriors we watch battle with grace. With that inspiration we are moving forward, turning to the positive and have formed this foundation, the MasonStrong Village. With your help, the MasonStrong Village can carry out it's mission: to provide comprehensive support for pediatric oncology patients and families by facilitating connections to resources, connecting families with similar diagnoses, funding research for cures and spreading joy and hope.
