Fellow Lions,

Busy time of the year coming up so we need all hands.

Thanks to everyone who attended our Club Retreat to work on our goals and plans for the coming year. And special thanks to Treasurer Lion Dale for getting us up and running with the Budgets for this year – monumental task – and he put a lot of time into it.

Plan to join the crew for Adopt-a-Highway bright & early on a Saturday morning, look forward to our Gary's Garden and Kinder Fest Fundraising events, give blood on 9/24. All of these events can be given whatever time you have available.

Lion Nancy has some really good programs lined up for the fall General Membership Meetings so come on out – and bring a friend, coworker, convenience store clerk – anyone who might make a good and ACTIVE Lion.

This is a short message as my schedule is very tight as usual.
Yours in Lionism, KL Chuck

Severn River Lions Sue, Myra, Trent, and his wife Pat on their way into the State Fair to participate in the Lions Vision Screening project coordinated by the Cockeysville Timonium LC. Earlier helpers included DG Dick, PDG Bob Muchow, and Lions Ollie Wittig and Rick Stefany.

The need for blood donations is urgent. Many elective surgeries are being postponed because the supply in hospitals and Red Cross blood banks is so critically low. Severn River Lions join with the Severna Park Elks and American Legion in a blood drive every three months.

Giving blood is truly giving the gift of life. Our next blood drive is Monday, September 24th at the Elks Lodge on Truckhouse Road, just south of Earley Heights Road. If you didn't have a chance to sign up at our August meetings, it isn't too late. If you can't make it to a meeting to sign up, contact Lion Dale Strait at 410-987-4879 or dalestrait@alum.mit.edu. Or just show up at the Elks Lodge between 1 and 7 pm on the 24th. Someone will be really glad you did.

NEW MEMBER RECRUITING

Many of you received a copy of the new member "Referral Form" enclosed in this issue of the newsletter. It is an excellent guide to helping us think about all the people we know in the "outside world" who would make good Lions. Our recruiting goal is ambitious. The first order of business is to build a Prospective New Member Recruiting List. Even if you can only come up with 2 or 3 names, that's fine. Please submit them to the Membership Committee. Unless you indicate otherwise, we will arrange to follow up. This Project is a CLUBWIDE EFFORT!!

INFORMATION PLEASE

When I was quite young, my father had one of the first telephones in our neighborhood. I remember well the polished old case fastened to the wall. The shiny receiver hung on the side of the box. I was too little to reach the telephone, but I used to listen with fascination when my mother would talk to it.

Then I discovered that somewhere inside the wonderful device lived an amazing person -- her name was "Information Please", and there was nothing she did not know. "Information Please" could supply anybody's number and the correct time.

My first personal experience with this genie-in-the-bottle came one day while my mother was visiting a neighbor. Amusing myself at the tool bench in the basement, I whacked my finger with a hammer. The pain was terrible, but there didn't seem to be any reason in crying because there was no one home to give sympathy. I walked around the house sucking my throbbing finger, finally arriving at the stairway.

The telephone! Quickly, I ran for the footstool in the parlor and dragged it to the landing. Climbing up, I unhooked the receiver in the parlor and held it to my ear. "Information Please," I said into the mouthpiece just above my head. A click or two and a small clear voice spoke into my ear. "Information." "I hurt my finger," I wailed into the phone. The tears came readily enough now that I had an audience.

"Isn't your mother home?" came the question. "Nobody's home but me," I blubbered. "Are you bleeding?" "No," I replied. "I hit my finger with the hammer and it hurts." "Can you open your icebox?" she asked. I said I could. "Then chip off a little piece of ice and hold it to your finger," said the voice.

After that, I called "Information Please" for everything. I asked her for help with my geography, and she told me where Philadelphia was. She helped me with my math. She told me my pet chipmunk, that I had caught in the park just the day before, would eat fruits and nuts.

Then, there was the time Petey, our pet canary died. I called "Information Please" and told her the sad story. She listened, then said the usual things grown-ups say to soothe a child. But I was un-consoled. I asked her, "Why is it that birds should sing so beautifully and bring joy to all families, only to end up as a heap of feathers on the bottom of a cage?"

She must have sensed my deep concern, for she said quietly, "Paul, always remember that there are other worlds to sing in." Somehow I felt better.

Another day I was on the telephone. "Information Please." "Information," said the now familiar voice. "How do you spell fix?" I asked.

All this took place in a small town in the Pacific Northwest. When I was nine years old, we moved across the country to Boston. I missed my friend very much. "Information Please" belonged in that old wooden box back home, and I somehow never thought of trying the tall, shiny new phone that sat on the table in the hall.

As I grew into my teens, the memories of those childhood conversations never really left me. Often, in moments of doubt and perplexity I would recall the serene sense of security I had then. I appreciated now how patient, understanding, and kind she was to have spent her time on a little boy.

A few years later, on my way west to college, my plane put down in Seattle. I had about half an hour or so between planes. I spent 15 minutes or so on the phone with my sister, who lived there now. Then without thinking what I was doing, I dialed my hometown operator and said, "Information please."

Miraculously, I heard the small, clear voice I knew so well, "Information." I hadn't planned this but I heard myself saying, "Could you please tell me how to spell fix?" There was a long pause. Then came the soft spoken answer, "I guess your finger must have healed by now."

I laughed. "So it's really still you," I said. "I wonder if you have any idea how much you meant to me during that time." "I wonder," she said, "if you know how much your calls meant to me." I never had any children, and I used to look forward to your calls." I told her how often I had thought of her over the years, and asked if I could call her again when I came back to visit my sister. "Please do," she said. "Just ask for Sally."

Three months later, I was back in Seattle. A different voice answered "Information." I asked for Sally. "Are you a friend?" she asked. "Yes, a very old friend," I answered. "I'm sorry to have to tell you this," she said. "Sally had been working part-time the last few years because she was sick. She died five weeks ago."

Before I could hang up she said, "Wait a minute. Did you say your name was Paul?" "Yes," I replied. "Well, Sally left a message for you. She wrote it down in case you called. Let me read it to you." The note said, "Tell him I still say there are other worlds to sing in. He'll know what I mean." I thanked her and hung up. I knew what Sally meant.

NOTICE – NOVEMBER IS NATIONAL DIABETES AWARENESS MONTH

ON OCTOBER 16th, SEVERN RIVER WILL HOST REGION 1 CLUBS FOR A SPECIAL GENERAL MEMBERSHIP MEETING PROGRAM ON DIABETES AWARENESS.

PENPALS IN SHROPSHIRE NEWS FROM IRONBRIDGE & SEVERN GORGE

Lion Ollie shares the following email with us. Please consider corresponding with our friends in England.

Hi Ollie,

I hope you and Jan are both well. I wore my Severn River hat at a fundraiser last week and it aroused some comments - a lot more people now know that there is another river Severn on the other side of the Atlantic!

Two other members of our club have expressed an interest in becoming pen pals with members of Severn River Lions. They are:

Lion Marion Underwood, 30 Perry Court, Wellington, Telford, TF1 3LT email marionunderwood@blueyonder.co.uk. Marion is in her 50s, married to a Lion from Telford Lions Club. She was a manager of a sheltered accommodation group for the elderly until a fall and a bad break lead to lots of problems with her leg. She has adult children and grandchildren.

Lions June and Norman Softley, 14 Dunmaster Way, Stirchley, Telford, TF3 1DR email softley.3cats@tiscali.co.uk. Norman is retired; he used to work for the Mail service and now likes to "play" with engines etc. June has a clerical job part time; she is very fond of cats; she was club president last year.

Life is getting busier with DG duties. I have started my club visits, 7 down only 57 to go!! And so far am booked to speak at 28 charter dinners - at this rate I won't have to cook many weekends. With all the District and Multiple District paperwork it is good to be able to attend my own club meetings to keep grounded in real Lions work. When making tea or selling raffle tickets I am just Lion Shirley not DG Shirley.

On a personal front one of my sons has just got another job – Operations Director for a hospital board near the Lake District; that should be a nice place to visit when he moves and very different from where he now is in London. John is very busy in the garden – the unusually wet summer has meant that lots of things are growing like mad while some more delicate plants are suffering. The first signs of autumn are showing now – the apples are almost ripe and leaves are turning colour on the silver birch trees (always the first). It seems hard to believe autumn is coming when we have had very little summer weather here; we have had few opportunities to sit out or to light the barbecue.

I look forward to hearing from you.

Regards Shirley and John

August Treasure Hunt

Even at 7:00 am it was a sultry, humid morning when the Lions SWAT team assembled at the Earleigh Heights fire hall for the pre-walk briefing by Chief Highway Engineer, Wayne Dudeck. While munching doughnuts, Wayne reminded the team of the safety requirements and urged all to "walk safely." **KL Chuck Horne, and Lions Roger Knauth, Randy Roberts, Mike Sanchez, Ray Smith, Dale Strait, and Ollie Wittig** listened attentively, especially when Chief Wayne stated that there might be some treasures to be found along the route that day. The team quickly donned bright vests and hats, grabbed pick up sticks, gloves, and trash bags and headed off to find the treasures. And did we find treasures! Near Earleigh Heights Road a useable rolling desk chair could be seen while further north, an abandoned steel framed outdoor lounge sofa graced the roadside. (The sofa was recovered later by someone in a white van.) A large trash bag filled with assorted clothing also was discovered. Lions Chuck and Ollie hit the jackpot and each found a slightly damp but useable one dollar bill that had been "carelessly tossed" along the roadway. The team finished the northern stretch of the highway in a record one hour. After the bags were deposited for pick up by SHA crews, several members adjourned to Panneras for breakfast. Hope to see more Lions at the September SWAT pick up!!

Remaining 2007 Schedule:

September 22nd 7:00 AM
 October 20th 8:00 AM

TEEN COURT

- Our Lions Club will participate in 12 Teen Court sessions, split between the Annapolis (6) and Glen Burnie (6) Courthouses. As in past years, Severna Park Kiwanis Club members will assist at other Court sessions (with our Club as backup in the event of conflicts).
- Our first session is scheduled for Wednesday evening, 9/19/07, in the Annapolis Courthouse which is located at 251 Rowe Blvd. All Teen Court sessions convene at 6 pm.
- As a matter of information, Court sessions last about 90 minutes, depending on the number of cases to be heard and their complexity. Teen Court jurors are drawn from area high schools and the first offender cases (all teenagers) they hear are all real. Normally, four Lions attend each Court session. Lion Don Rayment oversees the program and draws from the volunteer list in making assignments. If you're interested, or have any questions, please contact Don directly.
